

Welcome, members of the uniformed services

The U.S. Office of Personnel Management (OPM) is proud to welcome you to the Federal Employees Dental and Vision Insurance Program (FEDVIP).

What's happening?

On December 31, 2018, the Defense Health Agency's TRICARE Retiree Dental Program (TRDP), administered by Delta Dental, will end. However, as directed in the National Defense Authorization Act (NDAA) for Fiscal Year 2017, retired uniformed service members and their families, who were eligible for TRDP, will have the opportunity to enroll in FEDVIP. As part of this change, FEDVIP vision coverage will also be available to retired uniformed service members and their families, and family members of active duty service men and women.

Your first opportunity to enroll is:

Federal Benefits Open Season
November 12–December 10, 2018

The coverage effective date is:

January 1, 2019

Who's eligible?

In general, retired uniformed service members and their families who were eligible for the TRDP in 2018 are eligible for FEDVIP dental coverage and, if enrolled in a TRICARE health plan, FEDVIP vision coverage, beginning in 2019. In addition, family members of active duty uniformed service members who are enrolled in a TRICARE health plan are eligible for FEDVIP vision coverage.

Why FEDVIP?

FEDVIP is popular among Federal employees. The more than 3.3 million people already enrolled give the program high marks for quality and value. With 10 dental and four vision carriers to choose from, and some plans offering both high and standard options, FEDVIP offers great flexibility when selecting the right coverage for you and your family.

When can I enroll?

If you'd like dental and/or vision coverage next year, effective January 1, 2019, you must select and enroll in a FEDVIP plan during the next Federal Benefits Open Season. Open season is your annual opportunity to enroll in, change, or cancel a FEDVIP dental and/or vision plan. Each year, it runs from the Monday of the second full work week in November through the Monday of the second full work week in December. This year's open season is November 12 through midnight (ET) December 10, 2018. If you are currently enrolled in a TRDP plan, you will not be automatically enrolled in a FEDVIP plan for 2019. You must enroll during open season.
