HURLBURT LIBRARY

Explore, Enrich, and Escape

The Hurlburt Library is an exceptional space for individuals of all ages, backgrounds, and affiliations to spend their time in. It caters to everyone, whether they are civilians, military personnel, retirees, or youth. With its diverse range of programs, services, and resources, the library ensures that no one is excluded and strives to provide an inclusive environment for all.

Contributed and Layout by
Emily MacDonald

One of the notable programs offered by Hurlburt Library is Bibliobabies, which caters to the youngest members of the community. This program focuses on fostering a love for reading and learning in infants and toddlers. Hurlburt Library is also hosting a special Summer Reading Program called "Find Your Voice", which allows people of all ages, including adults, to sign up and participate. Participants have the opportunity to log their reading time to win fun prizes that are available for pickup at the Library, starting 5 June and

going through 5 August! These types of programs are a great way to encourage self-expression, creativity, and personal growth within reading.

As with any library, Hurlburt Library houses an impressive assortment of books, covering a wide range of genres and subjects. However, it goes beyond traditional library offerings by

also providing STEM (Science, Technology, Engineering, and Mathematics) programs. These programs include access to a 3D printer and STEAM kits, enabling visitors to engage in hands-on learning experiences and explore the world of technology and innovation. Those who are interested in using the Library's 3D printer must go through a one-on-one class, and you can call

"Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life."

~ Sidney Sheldon

them today at (850) 884-6266 for more information.

Another valuable resource offered by Hurlburt Library is the extensive database. Visitors have access to a variety of topics, including language learning materials and resources to aid career growth. The database is a valuable tool for individuals looking to make informed

decisions, learn new skills, and advance in their professional lives. Hurlburt Library understands the importance of education, providing resources to support individuals preparing for school-related endeavors. Whether it's studying for the SAT or other tests, they offer assistance and materials for exams such as the ACT, GRE, and a wide array of educational resources covering

the alphabet soup of education. It is worth mentioning that all these resources and services are available free of charge, all you need to remember is to register for a library card!

Hurlburt Library also aims to engage and cater to teenagers by providing volunteer opportunities and creating more hangout activities specifically for this age group. By doing so, the library hopes to demonstrate that it still offers valuable resources and experiences that resonate with teenagers and helps them develop relationships with one another without the help of phones and social media.

Additionally, the Hurlburt Library recognizes the needs of Airmen on base. The library area provides a space to hold briefings, study rooms, computers with CAC readers for work access, and the latest books on the Chief

Master Sergeant of the Air Force reading list, so all enlisted members can grow and improve in their chosen military career paths. They also offer video games at the front of the library that can be borrowed to help individuals de-stress from their hectic work life. The library boasts 16 computers total, with 8 that are AFNET and CAC enabled, and 8 commercial computers, all with the ability to print. The Hurlburt Library is here for Airmen to enrich their lives, and they hope to encourage them to make the most out of their careers and are open to suggestions on how they can make it happen.

One of the primary goals of Hurlburt Library is to attract more families and introduce them to the multitude of opportunities available within the library. By offering diverse events and programs that are open to everyone, Hurlburt Library

seeks to become a hub for the community. It actively participates in large-scale events such as Fall Fest, Tree Lighting, and other local Hurlburt Happenings, further inserting itself in the involvement of the community.

Hurlburt Library takes pride in being a modern-day facility that provides a wide range of activities beyond traditional book-reading. It aims to get rid of the idea that libraries are old-fashioned quiet spaces and instead positions itself as a dynamic and vibrant center for learning, exploration, and community engagement. Regardless of age or background, anyone can find something of interest at Hurlburt Library.

As you can tell, Hurlburt Library is a welcoming space that offers something for everyone. From programs like Bibliobabies and STEAM initiatives to a diverse database and resources for Airmen and families, the library ensures that individuals of all ages and backgrounds have access to valuable and enriching experiences. With its commitment to community involvement, inclusivity, and free access to resources, Hurlburt Library strives to be a beacon of knowledge, creativity, and personal growth to all who have access to Hurlburt Field.

Faces of the

Force Support Squadron

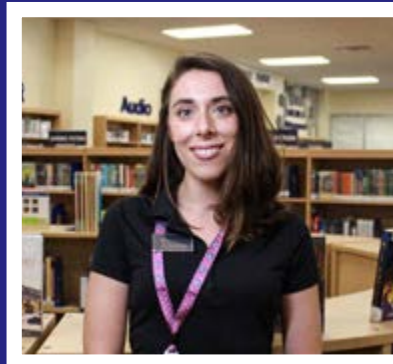

Megan Walters

Megan has been working with Hurlburt Library for 2 years. Her favorite thing to do at the library is talk with everyone and interact at the circulation desk, and discovering good books she needs to read that she hasn't heard of! Her interest in the library began when she was young, and growing up as a military child herself, books were a constant companion at each location she lived. The library was always the first place Megan checked out (pun intended) when she moved to a new location, and it was somewhere she continued going to even during college. At that point, she realized that working in libraries was her calling and went to school to become a librarian. She realized quickly that beyond books, those who work in libraries are there to help people in so many ways. Sometimes it's for school, or work, or for fun, and each time she loves knowing that she helped a patron find what they are looking for. "It's like a scavenger hunt!" she said.

Lisa Hull

Lisa has been working at the library for 2 years. She says the best part about working at the Hurlburt Library is all the stories - whether from books, movies, video games, or from the people who come in and say hi! She says the library has so many things to offer: not just books, but board games, STEAM kits, even a telescope. The location of the Hurlburt Library on base and their hours make it easy to stop in before, during or even after work to pick up and drop off items. Lisa's favorite thing to do is read, so she has found that working at Hurlburt Library is the perfect fit for her. She has experience being a military child, and the first place her mother would take them after a new PCS was the library. It was the first friend she made at any location, and is something she hopes to bring to all the people who come in and visit Hurlburt Library.

Courtney Dumas

Courtney has been a part of the Hurlburt Library team since March. Some of her favorite things about Hurlburt Library are all the programs that are available to all ages, and how they offer so much enrichment and fun to your day! It can also be a quiet spot to visit when you are in need of a minute of self-development and focus. She loves being able to build relationships with the Airmen and their families, and it allows her love for teaching to add value, morale, and support to the families of Hurlburt Field during their time here.

Hurlburt Lanes **Bowling**

*Right up
your alley for
memorable
family fun!*

Hurlburt Lanes Bowling is an incredible activity spot for friends and family alike on Hurlburt Field, offering a wide range of activities suitable for all ages, from the young to the old. With its diverse offerings and fantastic amenities, the bowling center ensures that every member of the family can have a memorable and enjoyable experience.

One of the standout features of Hurlburt Lanes is its Summer Bowling Program: Kids Bowl Free. This program allows youth 17 and younger to receive 2 free games a day with \$2 shoe rental. To receive this discount, customers must sign-up through kidsbowlfree.com, where a family pass is available. This summer program is an opportunity for youth to engage in a fun and active sport during the summer months, staying out of the harsh Florida heat. Additionally, the center offers a homeschool program that starts in September, catering to families who choose to educate their children at home, as well as a yearly Halloween Costume Contest that all can participate in!

Other bowling activities that are hosted at Hurlburt Lanes are Friday Night Frenzy and Saturday Cosmic Bowling, where families can pay by

the hour instead of by game, allowing them to maximize their enjoyment and play as many games as they desire during the allotted time. Hurlburt Lanes also offer leagues that are available on Tuesday, Wednesday and Thursday's. If you are interested in being part of a league, don't hesitate to call Hurlburt Lanes for more information, or you can message them on Facebook at Hurlburt Lanes Bowling.

For those interested in celebrating their birthday at Hurlburt Lanes, they offer convenient and affordable birthday party packages, which includes all guests receiving a card that entitles them to a free additional game of bowling. This ensures that families can enjoy a memorable party while also benefiting from discounted prices. This is especially beneficial to those who celebrate in the colder months of the year and you need a space to be indoors!

To further enhance the bowling experience, Hurlburt Lanes also houses a pro shop that offers a wide range of amenities. The pro shop is stocked with a comprehensive catalog of bowling-related items, allowing enthusiasts to purchase equipment and accessories to enhance their game. One notable benefit of shopping at the pro shop is that there are no taxes applied to purchases, making it a cost-effective option for all bowling needs. Additionally, the pro shop provides services such as bowling ball repairs at discounted prices, ensuring that bowlers can maintain their equipment and prolong its lifespan without straining their budget. Those who choose to purchase a ball at Hurlburt Lanes also receives the discount of playing 3 free games to practice with the ball! This is something that Hurlburt Lanes prides itself in, allowing them to stand out compared to their competitors elsewhere.

To complement the bowling experience, you can find Spare Time Grill located inside Hurlburt Lanes, where they offer breakfast, lunch, and dinner options, ensuring that families can indulge in delicious meals throughout the week. Spare Time Grill offers a diverse menu, including fan favorites like the Commando Burrito and the Asian meal Fridays. Whether families prefer to dine-in or take their food to-go, they have the flexibility to enjoy their meals wherever they please. Additionally, there is patio area in the back, providing a serene and relaxing atmosphere for anyone to enjoy their meals while basking in the outdoors. Even when the center is closed, the back patio remains accessible to the public, ensuring that their facilities can be utilized even outside of regular operating hours. Hurlburt Lanes also offer free Wi-Fi to their customers. This allows visitors to stay connected, whether they want to share their bowling experiences on social media, browse the internet, or simply stay in touch with friends and family.

Once you step into Hurlburt Lanes, you can guarantee you will be greeted by the amazing staff. They make sure to assist every visitor that stops by, whether it's helping with shoe rentals, providing guidance on scoring, or simply offering a warm smile and positive attitude, the staff members go out of their way to ensure that every customer feels valued and well-cared for. With the fun music playing from all around, the snack bar with drinks and snacks, Hurlburt Lanes is a place where customers will want to visit again and again with its family-friendly atmosphere.
