PGA HOPE ASSISTING VETERANS

Contributed by John Jenkins
Layout by Lydeah Sheng

PGA HOPE (Helping Our Patriots Everywhere) is the flagship military program of PGA REACH, the charitable foundation of PGA of America. This program introduces golf to Veterans and Active Duty Military to enhance their physical, mental, social, and emotional well-being. All programs are funded by PGA REACH and supplemented by PGA Section Foundations, so the cost of programming is free to all Veterans and Active Duty Service Members.

The PGA Hope program on Hurlburt Field introduces the game of golf through a developmental 6-week curriculum, led by John Jenkins. John has taken the professional training conducted by the PGA of America to instruct PGA HOPE Programs. There are currently 162 PGA HOPE Programs across the country and in 2019, the program impacted over 2,500 Veterans nationwide. As suicide is a major issue for veterans, PGA HOPE is working to change this by utilizing the game of golf as a form of therapy.

John's spouse, Jennifer Jenkins, the 1SOW Violence Prevention Program Coordinator, is a big piece of helping PGA HOPE, and the Community here on Hurlburt Field combat this issue within her office.

John retired from the U.S. Army in 2017, serving over 20 years as Enlisted Military Police. During his transition from the service, he turned his love for the game of golf into a career. John started his journey to become a PGA Professional in 2019 and completed his journey in September 2022. He has worked at The U.S. Air Force Academy and Eisenhower Golf Club.

In addition he was the Assistant Golf Professional at Cheyenne Shadows Golf Course in Fort Carson, Colorado, and was the Recruiting and Outreach Specialist for the University of Colorado, Colorado Springs PGA Golf Management Program. He is the current PGA Member at Gator Lakes Golf Course.

For more information on PGA HOPE call and leave a message for John Jenkins or go to the website listed.

Gator Lakes

Is Truly Un-Fore-Gettable

Contributed by Emily MacDonald
Layout by Lydeah Sheng

This season

Gator Lakes Golf Course opened the links to a new group of players: the general public. Gator Lakes is inviting qualifying members of the surrounding communities to apply for a pass to access the course. Seeing how other bases approached this program and made it work, Hurlburt Field golf course is now open to the public. There are a lot of people in the area who love to golf and like to try out all the golf courses to get variety. Opening Gator Lakes to the public is a win-win for everyone, and is a way to give back to the communities, expand its customer base, and provide a high level of support to our Airmen. Gator Lakes has become one of the premier courses in the area. Economically, opening the course to the larger customer base enhances revenue for planned project and improvements. Those looking to play on base need to fill out an SFS-approved affidavit that asks a few simple questions. Once completed and printed, the individual takes the completed affidavit to the Hurlburt Visitor Control Center at the South Hwy 98 Entrance to Hurlburt Field. After a basic background check, and with no issues found by SFS, the individual will be issued a DBIDS card with a 6-month expiration date. Any non-DoD base access cards will need to be renewed every 6 months. Gator Lakes is confident that opening the course to the surrounding community can be accomplished in a secure and cooperative way that strengthens ties with the community.

N

ot only is this exciting news, but we also have a new Golf Course manager, Mr. Teke Carson! He has big goals in mind to make Gator

Lakes Golf Course the best it can be, starting with Toptracer, the latest golf technology. He sees the golf course growing even larger and bringing in a wider audience who have either grown up with the game of golf, or for newcomers who have never swung a golf club before.

Something Teke Carson has really grown to appreciate about Gator Lakes is the beautiful nature that surrounds the golf course. The golf course has a great layout, with 18 holes and a new irrigation system that was installed in 2017, that puts the greens, fairways and tee boxes back into its tip-top shape. He also loves the friendly people and staff he comes across. Since being new to the military community, he has found the customers to be welcoming and understanding, and he enjoys the company of his awesome co-workers who make working at Gator Lakes fun and easy.

One thing that is different about Gator Lakes Golf Course, compared to courses off base, is the value, great location, and other amenities it offers. Compared to outside rates for one individual,

Gator Lakes offers affordable prices depending on rank, DOD, Junior, Civilians and even guests that you bring onto base. With the price you pay, plus the great amenities like golf carts, rental golf club sets, a new covered driving range with impressive Toptracer technology, and a great restaurant called Oasis Café to stop by after your game, you won't be disappointed in choosing to take a swing at Gator Lakes Golf Course!

If you have been wanting to perfect a part of your golf technique, come practice on our driving range with one of our golf pros. Underneath our covered driving range, you can take advantage of the new Toptracer range and all the technology amenities it offers. Toptracer is accessible for all, ranging from novice to pro! Toptracer allows you to practice driving, all while using amazing technology that tracks on a screen your hits, the distance it goes when you hit the ball, the ball's speed, and other shocking technology results. Toptracer is now available at Hurlburt Field, and we find that this new technology is what really sets us apart from other bases. We are only 1 of 2 Air Force bases in the world that has it! Toptracer is free to use with the purchase of a bucket of balls or the hourly rate of your game play. You can reserve by the hour for a group function as well!

Gator Lakes also includes a quality Pro Shop with an assortment of the latest golf gear for you to purchase. If you receive a membership, you can be notified of all the discounts in the shop throughout the year. In addition, the staff at Gator Lakes is committed to providing you with customer service that will make your golf visit remarkable!

We have memberships offered at Gator Lakes, for those who are more interested in golfing throughout the year, and pricing is dependent on rank. They are all inclusive, with unlimited golf and golf course- no trail fees, 1 free use of patio for private party, Pro Shop discounts, and more! You can find the membership information online at myhurlburt.com/pages/golf.html

Alongside the golf course, stop by Oasis Café, where they offer some of the best food Hurlburt Field has to offer, as well as being one of the top eating destinations visited by Active Duty members and civilians alike. With a great option of indoor or outdoor seating, and a beautiful view overlooking water and fresh greens of the course what could be better. You can stop by for breakfast and lunch, Monday through Sunday. They offer burgers, salads, and appetizers galore! Some favorites that are enjoyed by customers are the Commando Burger, Country Fried Steak Omelet, and the Par 3 Club Sandwich, just to name a few! They also offer catering, making dining easy for any special occasion or event. Get to know their awesome staff and become a regular.

Gator Lakes Golf Course is well worth checking out, and taking your family out for a fun activity to do together, or gather a group of friends and chill out while hitting a few balls after work. For more information, please call Gator Lakes Golf Course, (850) 881-2251, and make sure to follow them on Facebook at Gator Lakes Golf Course, Hurlburt Field, FL.

John Jenkins is a PGA Professional, working with veterans in golf to enhance their physical, mental, social, and emotion well-being. He has been working at Gator Lakes since the start of 2023, and has enjoyed meeting the members and friendly customers coming to the golf shop. He says Gator Lakes is a great place to enjoy with family and friends, with assorted golf activities, ranging from their 18-hole course, practicing your swing at the covered driving range. He enjoys being a PGA member and teaching new people about golf. He's had his own experience with Toptracer, and with it now available at Gator Lakes, he believes it will help grow the course's audience, giving an opportunity for military and the public to come out and enjoy the game of golf.

Daniel's TECH Corner

Contributed and Layout by
Daniel Stutmann

Welcome back to the place where we talk all things tech!
This month we're going to be talking about Toptracer!

First Experience

I am going to start off by saying I have never golfed before. It seemed boring having to go from one hole to the next, waiting for everyone to take their turn, keeping track of where the ball went, and the list goes on. With that being said, the new Toptracer range here on Hurlburt is an incredibly fun experience!

My first few shots were between 20yds and 40yds and although it was fun hitting the ball, it wasn't satisfying because I knew I wasn't hitting the ball with good enough technique to get the ball past the 40yd mark. Fortunately for me, a friend had noticed my technique and offered to help teach me a good stance, how to hold the club, and how to adjust my swing to get the ball to go straighter. This instantly made everything more enjoyable because I was hitting between 70 and 250 yds and I started to lose where the ball was going. However, with the Toptracer technology, cameras track exactly where the ball goes and it is displayed on a convenient monitor in your driving range.

Top Tracer Games

They have lots of games built into Toptracer. Games like:

- "Closest to the Pin" where you try to hit the ball as close to a set pin.
- "Long Drive" where your main goal is to hit the ball as far as you can.
- "Points Game" is based on accuracy and distance.
- "Go Fish" where you can play individually or as a team to catch 24 different sea creatures. This one is very fun to play with kids!

There are a lot of precision games, as well, to help you perfect your swing. All of this information can be linked to the Toptracer App so you can see just how much you've improved over time.

Open to the Public

Gator Lakes Golf course is now open to the public, so if you have some friends that may not have a DoD ID, they can fill out an affidavit (QR code is on this page) and take it to the visitors center to get an ID that allows them base access for 6 months. There are a lot of features with Toptracer and I highly recommend everyone go out and give it a shot, even if you have never golfed before. There is fun to be had and Gator Lakes Golf course is a great place to have it!
