Located as a tab at [www.myhurlburt.com](http://www.myhurlburt.com), Retiree Corner is your go to resource for information about base operations and events which may pertain to and/or interest you as well as the current issue of the Annual Retiree Newsletter. You will also find links to our office where you can contact us directly and obtain information you are unable to find on the page.

The most important feature we want to call your attention to is the email "subscribe option". By entering your email address, first and last name and service connection you will connect on an all new level. This will enable the RAO and 1 SOFSS to communicate with you via email when important notices, Special Events and periodic closures occur which may impact you. In addition, it will ensure you continue to receive the annual RAO Newsletter (the

one you are reading now) and never miss out on valuable information like medical updates, retiree appreciation events, facility closures and specials, ID card information and more! We will send interim updates in emergency instances and occasional emails with event information.

# EXCHANGE

ARMY & AIR FORCE EXCHANGE SERVICE

## QUALITY-OF-LIFE

Service members, Veterans, military family members and other authorized shoppers generated \$359,934 for the Hurlburt community in 2022 by shopping with the Army & Air Force Exchange Service.

100% of Exchange earnings are reinvested in military communities, with about 60% supporting on-installation Quality-of-Life programs. Remaining earnings further enhance the shopping experience at BXs and

Expresses worldwide and ShopMyExchange.com.

"It matters where you shop, and every time service members and military family members shop with the Exchange, they help make Air Force communities like Installation Name better places to live and work," said Eglin/Hurlburt General Manager Sheila Clark. "Whether shopping at the BX, filling up at the Express, dining at an Exchange food court or shopping at ShopMyExchange.com,

every member of the military community makes a difference when they use their Exchange benefit."

In total, Exchange shoppers worldwide generated \$214 million for Army, Air Force and Space Force communities last year, which was provided directly to the services. In the last 10 years, the Exchange has provided \$3.5 billion in earnings for critical military Quality-of-Life programs.

# Understanding MEDICARE PART D & TRICARE PHARMACY Coverage

FALLS CHURCH, Va.

You may already have TRICARE For Life (TFL). Or perhaps you're eligible to transition to this coverage soon. Either way, you may have questions about your TRICARE prescription drug coverage. For instance, you may wonder if you need to have Medicare Part D, Medicare's prescription

coverage. You don't need Medicare Part D to have TFL. That's because TFL has the same prescription drug coverage as other TRICARE health plans. *(This doesn't include the US Family Health Plan.)*

"While you're required to have Medicare Part A and Part B to have

TRICARE For Life, as long as you have TFL, you have TRICARE prescription drug coverage," said Anne Breslin, TRICARE For Life program manager with the Defense Health Agency. "If you have TFL, there's almost no advantage to signing up for Medicare Part D."

## Common Questions

Here are some common questions about pharmacy coverage through TFL and Medicare. Use the answers to help guide you to the best decision for yourself or your family member.

### Q: Do I have pharmacy coverage when I transition to Medicare and TFL?

A: Yes. As outlined in the TRICARE and Medicare Turning Age 65 Brochure, if you're eligible for TRICARE and have Medicare Part A and Part B, you're automatically covered by TFL. And if you have TFL, the TRICARE Pharmacy Program provides your prescription drug coverage. This is creditable drug coverage that pays at least as much as Medicare's standard prescription drug coverage.

Your TRICARE pharmacy coverage will continue seamlessly when you transition to Medicare and TFL from a TRICARE health plan. This is especially helpful if you have maintenance drugs that you take regularly for a chronic condition.

### Q: How do Medicare Part D and TRICARE Pharmacy Program coverage work together?

A: If you have both Medicare Part D and TFL, Medicare is the primary payer. TRICARE pays last.

### Q: When should I consider getting Medicare Part D in addition to my TRICARE pharmacy benefit?

A: Before you sign up for Medicare Part D, compare Medicare prescription drug plans and costs with the TRICARE pharmacy benefit. Keep in mind, the TRICARE Pharmacy Program has no monthly premium. Most people pay a monthly premium for a Medicare Part D plan.

Also, take into consideration:

- Deductibles
- Copayments
- Coverage and costs of drugs you already take *(costs may vary based on which medications you take)*

### Q: Where can I fill my prescriptions?

A: If you have Medicare Part D, follow your Medicare prescription drug plan's rules for getting your prescriptions.

If you have TFL and don't have Medicare Part D, you have the following TRICARE pharmacy options to fill your covered prescriptions:

- Military pharmacies
- TRICARE Pharmacy Home

### Q: What if I need help paying for Medicare Part D coverage?

A: If you have limited income and resources, you may want to consider Extra Help. Extra Help is a Medicare program to help people pay Medicare drug program costs, like premiums, deductibles, copayments, and coinsurance. Some people automatically qualify for Extra Help.

You may automatically qualify if:

- You have both Medicare and Medicaid
- You're in a Medicare Savings Program
- You get Supplemental Security Income benefits

If you don't automatically qualify for Extra Help, you can apply.

# INFLUENZA

## *The Quick Facts*

The flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. It can cause mild to severe illness, and at times can lead to death. The best way to prevent the flu is by getting a flu vaccine each year.

Signs and symptoms include fever, cough, sore throat, runny or stuffy nose, muscle or body aches, headaches and fatigue.

Certain people are at greater risk for serious complications if they get the flu. This includes elderly people, young children, pregnant women and people with certain health conditions, such as asthma, diabetes, or heart disease.

For our senior population, the seasonal flu can be very serious, even deadly. Ninety percent of flu-related deaths and more than half of flu-related hospitalizations occur in people age 65 and older. Because of this, the aforementioned population is considered "High Risk."

In order to ensure you have the best protection available against this rapid changing virus, the 1 SOMDG provides influenza immunization to all our beneficiaries. Please do not hesitate to contact us if you start having flu-like symptoms.

Follow these basic steps during this upcoming flu season to mitigate any chance of catching "the flu"

- Get your flu shot
- Practice good hygiene
- Monitor for any signs and symptoms of infection

If you have any questions please contact your local Public Health office (850) 881-3030.

# RETIREE ACTIVITIES OFFICE

## *Director's Corner*

The RAO currently has six volunteers (enlisted, officer and retiree spouses) in the office and we are looking for more volunteers. The office is manned from 9am to Noon, Monday through Friday, except for down days and holidays. Working in the RAO is not that difficult as we mostly direct retirees to the experts in the building. What we really enjoy is helping people.

So if you are interested in volunteering at the RAO please email us at [1SOFSS.RAO@us.af.mil](mailto:1SOFSS.RAO@us.af.mil) or call **(850) 884-5443** between 9am and Noon, Monday through Friday, and if no one answers, please leave a message. We are looking for more volunteers, so why not make a difference and join our team.

The RAO has a page in the 1st Special Operations Force Support Squadron's My Hurlburt Life monthly magazine, so pick up the magazine and find out what's happening at Hurlburt Field.

Finally, when you get this newsletter, which is being mailed to more than 13,000 retirees and widows, and you would like to comment on something in the newsletter, please call or email the RAO.
