# ROLLING FOR FUN:

*Strikes, Snacks, and Swag!*

Contributed by Rich Viray  
Layout by Lydeah Sheng

What makes bowling and bowling centers fun? Let's admit it, bowling isn't as popular as football and basketball, but try visiting a bowling center on a weekend, it is always packed! You will find different types of people and groups enjoying the game. The usual suspects are friends casually playing the game, and you'll hear occasional cheering when somebody hits a

strike! Then you'll notice those infectious loud laughs when that one friend aims for the gutter... AGAIN! Classic, right? The first-timers who don't know what they are doing or how the scoring works.

They are just there for the food, drinks and to bowl a little. Then come the "serious bowlers" with their bowling bags, bowling balls and shoes. They don't rent shoes, the in-house balls will remain untouched, and the scores will be in the high 200s.

This is what makes bowling fun, exciting, and entertaining. Anyone can play, and there is no height or weight requirement. Plus, the game is easy to learn, making it accessible to people of all ages and skill levels. Just aim and knock down the pins and experience the thrill of each roll.

Are you ready to bowl? Mr. Daniel Tavaréz, Manager of Hurlburt Lanes Bowling Center, shared a story of an Airman who tried bowling for the first time and got "hooked" (no pun intended) on the sport. A year later, he became a pro bowler after joining the bowling leagues. Mr. Tavaréz mentioned that the bowler practiced regularly, and occasionally, Mr. Tavaréz would give him a few tips and tricks and coach him when he was free from work.

Ms. Terry Ann Shipman, Recreational Assistant of Hurlburt Lanes, also shared a story of a student who bowled there regularly, became a league bowler, and is now a scholar student of a renowned university because of bowling. It is one of the largest and best-organized sports globally; it is a serious sport. Colleges offer scholarships to athletes, and over 100 million people worldwide bowl at some level of play.

Parents, Hurlburt Lanes offers the Kids Bowl for Free program until the end of August. You might be able to save that college tuition because of bowling! Take advantage of this free program. Stay away from the harsh heat of Florida, stay indoors, and let the kids discover bowling. Mr. Tavarez mentioned that if you are new to the game, you can ask the friendly staff to explain it and introduce you to it. His number one tip is that “You shouldn’t throw the ball. Instead, you roll the ball or bowl the ball. That’s bowling.”

Hungry? We have The Spare Time Grill inside Hurlburt Lanes, one of the most popular eateries on Hurlburt Field! You can skip bowling and enjoy the daily specials with their wide selection of delicious food. Spare Time Grill serves breakfast from 6:30-10:30a.m, (we recommend trying the Commando Burrito, a fan favorite). Lunch & dinner are served from 10:30a.m. to closing, Monday to Friday, and noon to closing on weekends.

Watch the game while you devour one of their signature juicy burgers like the Gunship, Mother of All Burgers, or The Talon. It is a great way to have lunch and watch live bowling action.

Do you want to take your bowling game to the next level and save? Yes, save money! Mr. Tavarez explained the products and services the Pro Shop offers and the perks they have in store for our Hurlburt Field community. The Pro Shop provides FREE sizing and drilling with any bowling ball purchase. The standard cost of drilling is between \$50 to \$100 off base, but in the Pro Shop, the service is FREE. Also, they offer overnight shipping

 Hurlburt Field Lanes  
& Spare Time Grill

if you pick an item from their catalog. Mr. Tavarez probes when a new customer buys a personal ball. His first question is, "Are you a league bowler or bowling for fun?" Then, he explains the difference between a beginner's ball and a professional ball. He mentioned that the inner material and shape of the core make the difference and that every ball style reacts and plays differently. Aside from the types of bowling balls, Mr. Tavarez will measure the fingers' length & span and even check the thumb angle. He explained how he uses these measurements to make

the bowler's playing more natural, comfortable, and safe. You are able to get a bowling ball made to fit you at the Pro Shop. How cool is that? Products such as bowling bags and shoes are also available. Ball engraving, baking, cleaning, and other services are also offered.

If you run out of gift ideas, why not a personalized bowling ball? How many of your friends have a bowling ball?

# NEW BEGINNINGS: Travel Tips for Exploring After Your PCS

It's been over a month since my wife and I PCS'd in Florida. She's an active duty service member, and I am the dependent, one of the few male spouses, one of the proud. We were overseas for over 12 years, and being back stateside feels foreign. Osan Air Base, South Korea, has been our home for the last four years, and every PCS, we have to go through this homesickness phase. Many of you can relate to this, especially service members, families, and civilian employees who have been overseas.

They say traveling and exploring the local area are the best remedies to eliminate homesickness. As the new Marketing Content Specialist, I write the articles for My Hurlburt Life Magazine, and Information, Tickets, & Travel (ITT) is my first facility to cover. In my head, this is perfect! I am new to town, and this is an excellent opportunity to learn more about the local attractions and destinations. I visited ITT to learn more about their facility, and not only did I discover the wide selection of local attractions they have, but I also learned more about the perks we, DoD Cardholders, can take advantage of with ITT.

I spoke to Ms. Kayley Carpenter, Manager of ITT. She showed me her best-sellers: Universal Studios and Walt Disney World tickets. There is no doubt that these two are the most popular among locals, and they are pretty close. Three and a half hours by plane or six to seven hours by car. Road trip and then meet Mickey and friends!

Ms. Carpenter highlighted that ITT gets you a better-discounted rate at these big theme parks because DoD Cardholders have military discounts, or you can receive the Floridian rate if you are stationed in Florida, which is the best ticket price right now. We get great deals because booking it through ITT is tax-free. They don't get taxed, and they don't tax us. Do the math: how much can you save if you are a family of five? Discounts + discounts! Ms. Carpenter mentioned,

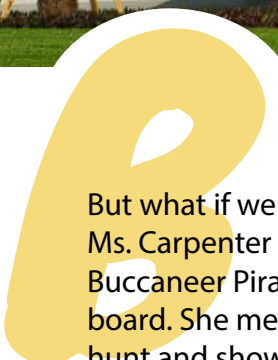

***“Customers may feel that they are getting interviewed by our staff with all the questions we ask, but we are just checking all of your eligibility to offer you the best possible deal.”***

The rates change depending on the season, and because we have flexibility with our ticket options, they have to ask certain questions.

Have you heard about the Freedom Pass at Universal Studios? This pass is for theme park goers like Ms. Sierra Miller, Recreation Assistant of ITT. When I asked her how often she has visited Universal Studios, she replied with a question. “This year?” That says a lot about her and how much she loves theme parks. Freedom Pass gives unlimited daily use of Universal Studios, Islands of Adventure, and Volcano Bay with NO BLACKOUT DATES, valid until 20 December. How awesome is that?! I asked her if family members without DoD IDs could use the Freedom Pass. According to Ms. Sierra, family members can use it independently if the DoD Cardholder is present during the activation or first use of the Freedom Pass.

But what if we want to stay in the Emerald Coast area? Ms. Carpenter suggested a few local attractions. The Buccaneer Pirate Cruise is an actual pirate ship that pirates board. She mentioned that the pirate ship goes on a treasure hunt and showcases sword-fighting and the ways of the pirates. It is a very entertaining trip to explore the waters of Destin. We checked the ticket prices online; they were \$49+tax, and ITT offers them at \$42 tax-free. She also recommended the Dolphin Cruise. She mentioned that the sighting of dolphins is guaranteed, and if they don't find any dolphins, you will get another free cruise booking. She shares her personal experience with the dolphin cruise

*"I've been on it 8 to 10 times and have always seen dolphins. It is always a lot of fun."*

Lastly, since it is the summer season, Ms. Carpenter highlighted Shipwreck Island Waterpark. They are located in Panama City, an hour and a half away from Hurlburt Field. They have Tree Top Drop, a 65-foot water slide for the adrenaline junkies. The Lazy River has 2,000 feet of slow-moving water for those looking for a relaxing

experience, no matter your thrill-seeking level there's something for everyone. Of course, we have to check the admission fees to make a comparison. Online was \$50+tax, gate price \$53+tax, and ITT offers it at \$38 tax-free.

We covered only a tiny section of what ITT can offer. ITT has a wide selection of local and out-of-state attractions that all can enjoy. Even international travel packages are available and can be tailored to your needs. The next time you make travel plans, check with ITT first. Their rates are exclusive to DoD Cardholders. They can assist you with your travel needs and will give you the best possible deal. My wife and I have something to help us move on from this homesickness phase and make Florida home.
