Embracing Adventure at Hurlburt Field:

A DEEP DIVE INTO OUTDOOR REC

Picture this: You, your buddies, and a day filled with fun and life on the Emerald Coast. With the Gulf of Mexico at our doorstep begging to be explored, adventure is always just around the corner and your Hurlburt Field Outdoor Recreation Program (ODR) is your all-in-one waterfront wonderland! Through robust programming ODR offers countless activities, amenities, and events for Team Hurlburt!

Let's kick things off at the Marina, where the shimmering waters of the Santa Rosa Sound beckon and the possibilities are endless. From pontoon boats perfect for leisurely cruises to the famous Crab Island in Destin, to paddleboards, kayaks, and water sports gear, there's no shortage of options to get you out on the water and soaking up the sunshine. With expert staff on hand to assist with watercraft rentals, safety briefings, and navigation tips, even the most inexperienced sailors can set sail with confidence. During the summer season it is always recommended to reserve your pontoon rental in advance. Reservations open 30 days prior and during the busy seasons don't be surprised if you see a line of patrons waiting outside the marina determined to secure their reservation before a big holiday. With full-day (8-hour) pontoon rentals at only \$400, it's worth the preparation. For those who have your own watercraft, drop-in using the marina's boat ramp!

Now, let's dive into excitement with the Dive Shop. Whether you're a certified scuba diver or a newbie looking to take the plunge, the Dive Shop has everything you need to

explore the mesmerizing world beneath the waves of the Gulf. From gear rentals to certification classes (ranging from Basic Open Water to Dive Master), and even Digital Underwater Photographer courses, the Dive Shop has you covered. If you're TDY at Hurlburt, you're in luck! Rentals and classes are open to TDY personnel as well. Check out the calendar on the MyHurlburt.com for class availability.

The adventure doesn't end when you resurface; it's time to enjoy the Floridian outdoors with camping under the stars. Your Hurlburt ODR offers camping gear rentals at an affordable price, including sleeping bags, tents, coolers and even travel trailers that sleep up to 5 campers! With countless national and state parks in the local area, you don't have to travel far to reconnect with nature. If glamping is more of your style, our FamCamp offers 48 RV sites with full water, sewage, and 30/50 amp hookups, plus a bathhouse and laundry facilities on site.

At Hurlburt Field, commitment to excellence in both mission readiness and quality of life for its personnel is paramount, and ODR is all about staying healthy and happy! Through unique and thoughtful programming, ODR also facilitates fun in the community.

Our dedicated and friendly staff strive to provide as many community connection opportunities for Team Hurlburt as possible. Bring your friends, family, and coworkers to ODR events to spend some time getting together while making lasting memories. You may even make new connections with likeminded individuals and foster new friendships through ODR activities! Keep an eye on our calendar for specialty events like Paint by the Shore, Sunday Funday events, Movies on the Beach, shark fishing lessons, mixology classes at our Tiki Bar, and much more.

Speaking of our Tiki Bar, after a day out on the water (or even a day stuck in the office), there's no better way to unwind than at KT's Kraken Tiki Bar. Nestled along the waterfront, our Tiki Bar is the perfect spot to kick back, relax and enjoy a cold drink with friends, featuring our amazing bartender, Ms. Cherie! With its laid-back atmosphere, stunning views of the Sound, and fantastic drink specials, it's the ultimate oasis for those looking to escape the daily grind and enjoy the summer breeze. KT's also provides an excellent venue for your next group meeting, including promotion and retirement ceremonies, birthday parties, and special celebrations. For our FOCUS members, KT's is also the location of our June FOCUS Deal! This month, visit KT's, spend \$20 and receive a commemorative KT's stainless steel reusable party cup, while supplies last.

With fun and events to be had this summer, ODR also offers supply rentals to make your next squadron party or private party an event to remember. With multiple event venues to choose from like the beachside pavilions, Lil Commando Community Park Pavilion, and even our Aquatics Center choosing the location of your next event is a breeze. Elevate your event with rentals including canopies, chairs/tables, grills, generators, yard games, bouncy houses for the littles and even a dunk tank to thank your favorite leaders for all their dedication! Keep ODR rentals in mind when you're planning your next fundraising or UNITE event, and ODR will make sure you bring the fun.

As Hurlburt Field continues its legacy of excellence, Outdoor Recreation remains dedicated to providing recreational offerings through a wide range of outdoor activities and programming, fostering community bonds, promoting wellness, and encouraging exploration and excitement! It's all about enriching the lives of our service members and their families while stationed here on Hurlburt Field, promoting resilience on and off duty, capturing the adventure here on the Emerald Coast.

Aim Meets Adventure

Looking to hone your shooting skills? ODR offers affordable annual memberships with their Rifle & Pistol Club, and Skeet & Trap Range. Both facilities offer dynamic experiences for shooting enthusiasts of all skill levels fostering opportunities for marksmanship improvement and friendly competition in a welcoming and safe environment. The Rifle & Pistol Club is located off Red Horse Road on base and the Skeet & Trap Range is located off Lewis Turner Boulevard in Fort Walton Beach.

Faces of the FORCE SUPPORT SQUADRON

Glenn Asiatico, Recreation Assistant

Glenn is new to our Hurlburt Field ODR program and just started working at the marina in April of this year. Before working with the 1 SOFSS, Glenn served in the Army for 16 years and his wife is serving her first term in the Air Force, which brought them to Hurlburt Field. Glenn has two daughters and after his time serving in the Army, Glenn enjoys being a part of ODR as it allows him to spend more quality time with his family while taking care of our military and community.

Lexi Noble, Recreation Assistant

Lexi has been working with ODR for about 3 months and comes from a military family with her father serving in the Space Force and her brother serving in the Air Force. After living at multiple bases throughout her life, her family recently moved to Hurlburt Field. With experience in customer service, time spent as a lifeguard, and a love for being out on the water, the Recreation Assistant position was perfect for Lexi! "Since I moved to Florida, I knew I wanted to work by the water and finally saw a job opening with ODR, so I took my shot and have never been happier!" Lexi's hobbies are swimming, baking, driving boats, and spending time with her dog and cat. Her favorite part about working at the Marina is that she is surrounded by amazing and caring people.

Arrienne Barclay, Program Coordinator

Arrienne started working with ODR in July of 2020, starting as a recreation assistant and has since been promoted to the Program Coordinator role. Arrienne is a proud mother of two wonderful children, Erin & Falon, and her husband is currently serving his 20th year as Active-Duty personnel. Together they care for their four beloved cockatiels. Upon learning that they would be stationed at Hurlburt Field, Arrienne eagerly anticipated applying for a position at the Outdoor Recreation Center. Having grown up near the stunning beaches of the Philippines, working at ODR feels like home for her. Arrienne also enjoys working at ODR as it has provided her with opportunities to learn new skills, connect with diversity, and become a part of a welcoming, family oriented community.

MORE THAN JUST A GAME

Situated in a secluded area near the east gate of Hurlburt Field, at the very end of Walkup Way, sits Gator Lakes Golf Course. Spectacular views of the flight line, lush trees, and sparkling waters. If you are an aviation enthusiast, you could catch military aircrafts in the sky with crews perfecting their proficiency while you play the course. There is much to see and do at Gator Lakes, so let's explore it as we play.

THE LAND

Gator Lakes Golf Course boasts an 18-hole layout featuring a mix of PAR 3, 4, and 5, along with four tee options catering to men, women, seniors, and professionals. The course earns its name, Gator Lakes, with eight of its holes adorned by water features, where sightings of alligators are not uncommon, as noted by Teke Carson, the Golf

Course Manager. “They pretty much stay out of the way, but every now and then they wander across the green.”

TEAM HURLBURT BENEFITS

In terms of pricing, Gator Lakes offers rates approximately 25% lower than neighboring courses and provides options for 12-month and 4-month passes. However, the benefits extend beyond affordability. Every Sunday, personnel E-4 and below enjoy complimentary green fees from 10 am to 5:30 pm. Additionally, the course introduced Toptracer, an electronic driving range experience, available 24/7 with eight covered bays featuring lounge seating, provided free of charge with only ball purchases required.

If you're a regular at Gator Lakes, chances are you've crossed paths

with one of its most devoted patrons: retired Chief Master Sergeant Cecil Tatum. Since 1983, Cecil has been a familiar figure on the golf course, where he effortlessly completes 18 holes in just over three hours. "I can hit it pretty accurately down the middle. I hang in for 18 holes and I have great teammates walking through the course with me," he shares. The convenience of the course and its welcoming ambiance keep him returning week after week. "It feels like home to me. The course is in really good shape, and I always find joy in playing here."

Cecil's journey with the Air Force began in June 1946, serving in Personnel. Originally hailing from Pensacola, he retired from Eglin Air Force Base after a distinguished military career, followed by retirement from Hurlburt Field in civil service, accumulating a remarkable 50 years of service. Cecil celebrated his 95th birthday on May 5th.

The ball dispenser accepts cash or range key purchased in advance from the Pro Shop. Ball buckets come in 30, 50, and 100. Range keys can be pre-loaded with any amount desired and users receive a discount of up to 25% on buckets of balls. Another added benefit is the free use of golf clubs when utilizing the driving range.

For squadron events or fundraisers, the Pro Shop extends assistance, as exemplified by their recent collaboration with a squadron for a unique race event. Furthermore, Gator Lakes hosts a vibrant tournament schedule, including weekly, monthly, and intramural events, catering to diverse player preferences.

COURSE UPDATES AND INITIATIVES

Looking ahead, initiatives like Get Golf Ready and Junior Golf Clinics aim to expand instructional opportunities, focusing on beginners, seniors, and junior players. Teke tells us that several of his instructors are Professional Golf Association (PGA) certified, allowing them to offer programs that could easily be implemented at Gator Lakes. The Junior Golf Clinic is geared towards kids under 16 with skill levels ranging from new to experienced golfers. Get Golf Ready is an instructional program for adults who are looking to start playing or for people interested in learning more about golf. PGA HOPE (Helping Our Patriots Everywhere) is another initiative in the early stages of development at Gator Lakes.

Emphasizing course quality, Gator Lakes prioritizes green maintenance and upcoming fairway renovations to enhance player experience. Teke told us, "We probably have the best greens in the Fort Walton Beach area by keeping the weeds and bugs off with constant upkeep." Fairway renovations starting in the Summer of 2024 will include Bermuda grass install and weed removal giving a more plush feel. Teke says the impact should be minimal to the customer as the updates will be gradual over time.

INSIDE THE PRO SHOP

The fully stocked Pro Shop complements the golfing experience, offering top-notch gear and personalized services including embroidery on clothing items and custom fit clubs to enhance your golfing experience. The Oasis Café is home to some of the best food and spectacular views found on Hurlburt Field. The café serves up breakfast and lunch in the dining room or on the covered patio, with views of holes 9 & 18, and the flight line. Daily specials adorn the menu along with various breakfast dishes, hamburgers, sandwiches, and drinks.

OPEN TO THE PUBLIC

Access to Gator Lakes is not limited to base personnel, the public can utilize the course through a simple online affidavit process, facilitating up to six months of access upon vetting. Prospective players simply take the completed form and their identification to the Visitor Control Center (near the main gate of Hurlburt Field). Players are vetted and given a pass to access the base and play Gator Lakes anytime during their access period.

VISIT THE COURSE

Operating seven days a week, Gator Lakes Golf Course observes closures on two holidays a year, Thanksgiving Day and Christmas Day. There may be unexpected closures for lightning storms or hurricanes, prioritizing player safety. Don Martinez, Recreation Assistant, notifies players of timely course closures during such events, offering rainchecks if necessary.

Customers often play the course for its secluded, natural setting devoid of homes and neighborhoods found at other local courses, providing an immersive escape into nature. Whether you are an avid golfer, looking to perfect your swing at the driving range, or you want to learn more about the game of golf, the golf professionals at Gator Lakes are committed to providing you with the best customer service and golf experience to make your visit to Gator Lakes Golf Course remarkable.

PGA HOPE

Started in April of 2023 to help veterans and active duty service members build a community through the game of golf. John Jenkins, PGA Head Golf Professional, used the program when he retired from the Army and saw a need for the program at Hurlburt Field. John received training on adaptive golf, which provides extra training to assist someone in a wheelchair or missing a limb, and how to use the game of golf to deal with varying aspects of trauma. The PGA HOPE course is one day a week for six weeks and students receive two hours of instruction including on-course, short game, full swing, and course management. But the biggest piece is community involvement. John's goal is to one day host a PGA HOPE Golf Tournament with past and present graduates of the program. Currently, John is instructing the 5th session with five students. Veterans or active duty members looking to join PGA HOPE of Hurlburt Field can talk to John at the Pro Shop.

FACES OF THE FORCE SUPPORT SQUADRON

Don Martinez, Recreational Operation Assistant

"I started at the Gator Lakes in March 2016. I retired from Kadena Air Base as the senior enlisted leader of Okuma (Kadena's beach and recreation area) and I moved to this area where I started at the wood shop. In my spare time I was playing the course and when the wood shop closed I spent several years just golfing. This led to a position at the golf course and since customer service is in my blood and I enjoy it, I thought it would be a good fit for me." Don has been playing golf since 1996. His handicap on this course is 11 and from the senior tee he has shot a 66 and a 71 from the white tee. His main focus is running the various tournaments offered at Gator Lakes.

Garry Fabian, Pro Shop Staff

Garry is originally from Dayton, Ohio and works 2 days a week at Gator Lakes. Before retirement, Garry worked as a Defense Contractor for various contracts and joined the Gator Lakes team 7 years ago. "I found out I'm a people person and I enjoy socializing with people and what better way than to set up a cash register at a golf course." Garry's main duties include maintaining the Pro Shop and running the register. He is one you would contact to set up a tee time or check-in for your time. Garry says he enjoys playing the course in his spare time with his wife.

Nahomy Jasmin Aguilar Oyuela, Cashier, Oasis Café

Nahomy joined the team at the Oasis Café in October 2023. She was born in Honduras and moved to Panama City, Florida when she was six years old. Nahomy's spouse is active duty military and they recently moved back to the area after being stationed at Yokota Air Base. "I have worked for the military since I was 18, so I wanted to find something that I enjoy, with the added bonus of security being on a military installation. I love working here, everyone is so nice."
