**FAQS ON BACKSIDE**

# FAQ

## **How do I sign up to play intramural sports?**

A Letter of Intent (LOI) is sent to your squadron's first sergeant 1 month prior to the season start date. The first sergeant will assign coaches who will be responsible for notifying their team of games and practices. If you are unsure if your squadron has a team, please contact your first sergeant.

## **What if my squadron does not have a team?**

If your squadron does not have a team, you can join the player's pool by emailing your name and squadron to [1SOFSS.FSVS.SportsProgram@us.af.mil](mailto:1SOFSS.FSVS.SportsProgram@us.af.mil). Once it is verified your squadron does not have a team, you will be assigned to a team that needs additional players.

## **How many games are there and what time are the games?**

All Intramural seasons are approximately 8 weeks. Each team will either play on Monday/Wednesday or Tuesday/Thursday at 1700 or 1800.

## **Who is eligible to play?**

Active-duty military, DOD civilians, NAF employees, dependents and TDY personnel are eligible. Dependents must be at least 18 years of age, out of high school, and possess a valid dependent ID card. Retirees and their dependents are allowed to play for the squadron they retired from.
